

SOUTHEASTERN OHIO REGIONAL QI HUB

Partner with us to improve diabetes outcomes in our region.

Ohio University's Heritage College of Osteopathic Medicine has established a quality improvement (QI) hub that connects and supports healthcare clinics in Southeastern Ohio.

Commitments we ask of our sites:

- Establish a **Point Person** to work closely with the OUHCOM Hub and serve as a project champion.
- Engage in **QI coaching** opportunities.
- Utilize **QI science** to test and adapt interventions.
- **Upload specified data** elements from the Electronic Health Record.

Benefits of joining include:

- **Coaching and support** on site specific micro improvement cycles
- **Resources** specifically designed for our spoke sites: newsletter, handouts, videos, posters
- **Collaborating** with other sites: learn how other clinics troubleshoot similar problems
