

# PATIENT AND FAMILY ADVISORY COMMITTEE (PFAC)

## Southeastern Ohio Regional Quality Improvement (QI) Hub

### Join Our PFAC

We are excited to invite you to become an integral part of our healthcare community by joining our Patient and Family Advisory Council (PFAC). Your unique perspective as a patient or family member can help us shape the future of our healthcare services, ensuring they are truly patient-centered.

### About the PFAC

Our PFAC is a dynamic group of people who have experienced Southeastern Ohio healthcare services firsthand as patients or family members. Their insights, suggestions, and experiences guide us in making informed decisions to improve the quality of care we provide.

### What Will You Do?

#### Share Your Insights

Your unique experiences and perspectives are invaluable in identifying areas where we can improve and enhance diabetes healthcare services.

#### Collaborate with Health Professionals

Work closely with researchers, healthcare professionals and administrators to create a more person-centered environment.

#### Advocate for Change

Be a voice for patients and families, ensuring their needs and concerns are heard and addressed.
